

10th International Congress of Dipterology (ICDX)

Reno, Nevada,
USA, from 16–
21 July 2023

<https://dipterists.org/icdx/>

Forensic

Symposium

Entomology

Students Strongly
Encouraged to
present! Rub
elbows with the
best Professionals
in Dipterology!!!!

Participate in a Fascinating Symposium on the Physiology, Community Ecology and Systematics of Flies in Resource Pulse Theory, Crime, Courtroom Combat, Decomposition, and Death

Present experiments on stinky stuff loving Flies!

Talk about fascinating people and their Flies!

Recount new Fly science for real investigations!

REGARDLESS of your interest in Flies and Forensics, this is an absolute must opportunity to present your research!
